

EUROPEAN ASSOCIATION
FOR GESTALT THERAPY
EAGT CONFERENCE 2026
DUBROVNIK CROATIA

Bridges of Difference

22ND — 25TH
OCTOBER 2026

Registration — Now Open

Dear colleagues,

We're delighted to announce that registration is now open for the EAGT 2026 Conference, **'Bridges of Difference'**, taking place in Dubrovnik from 22–25 October 2026.

We have crafted a rich and diverse programme that we hope will inspire, engage, and offer something meaningful for every participant: **44 Lectures, 104 Workshops, 40 Open Spaces, 7 Panels, one Exhibition, and a Poster Presentation area**. All presentation descriptions are available in the **Book of Abstracts**, which you can download from the conference website eagt2026dubrovnik.com.

Registration is available through the official conference website, where you will find the **Registration Form**. During the registration process, you will also be able to select Workshops and Open Spaces. As Lectures, panels, workshops and open spaces run in parallel, we kindly encourage you to explore the Conference Programme before registration. Each participant may select **up to 3 Workshops**.

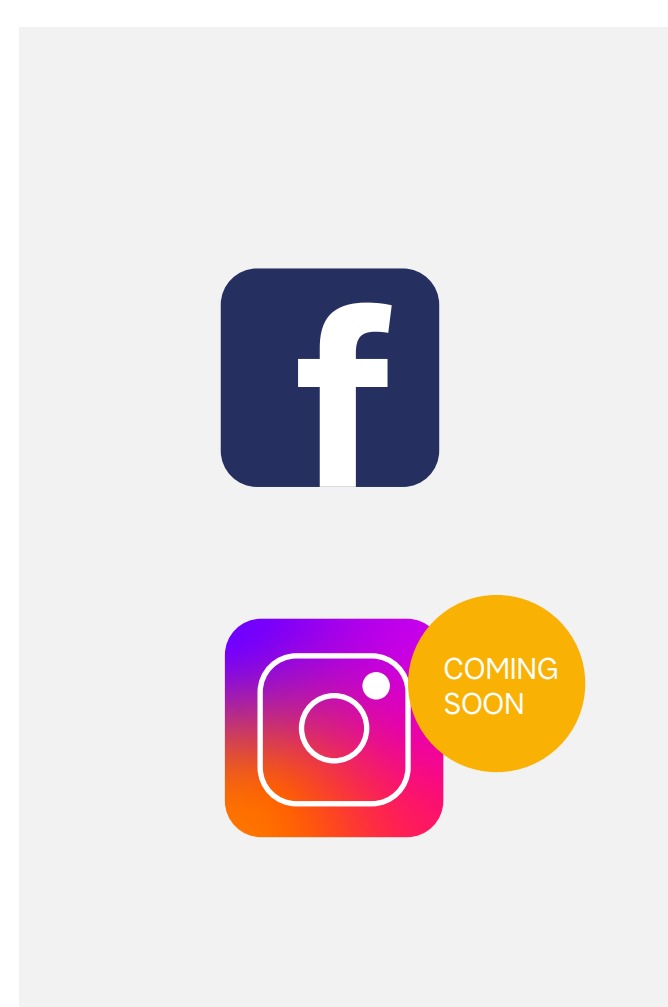

The conference will welcome **1,000 participants**, and we are happy to announce that **200 places are reserved for students** at a reduced fee. The **Student** category applies to all participants who hold student status at the time of registration. To qualify for the reduced fee, students must upload a **Certificate of Enrolment** for the academic year 2025/2026, issued by their institute.

Please note that registering for a Workshop or Open Space reserves one of a limited number of places which then cannot be offered to another participant. Therefore, we kindly ask you to review the programme carefully before selecting, and to sign up only for sessions you genuinely plan to attend, as lectures, workshops, open spaces and panels run in parallel. The success of the conference depends on all and each one of us.

You can follow all updates and announcements on our [Facebook](#) (soon and Instagram) pages: EAGT 2026 Conference.

We look forward to meeting you in Dubrovnik!
